

Module - 2:

Professional Letter :

1. Cover Letter

Dear Hiring Manager,

I am writing to apply for the position of MERN Stack Developer/Intern at your organization. I am currently pursuing a Bachelor of Computer Applications (BCA) and undergoing professional training at Tops Technologies, where I am building strong skills in full-stack web development.

I have hands-on experience with React.js, Node.js, Express.js, and MongoDB. I have developed projects including responsive web applications, admin dashboards, and API-based systems. I focus on writing clean code, creating user-friendly interfaces, and solving real-world problems.

I am highly motivated to begin my professional journey and contribute to your team while continuously learning and improving my skills.

Thank you for your consideration.

Sincerely,
Hanjari Prajapati

2. Portfolio Description

Hello,

I am Hanjari Prajapati, a MERN Stack Developer passionate about building modern, responsive, and high-performance web applications.

My portfolio includes projects developed using React.js, Node.js, Express.js, and MongoDB. I specialize in frontend UI development with clean design, animations (Framer Motion), and responsive layouts using Tailwind CSS and Bootstrap. I also build backend APIs and handle database integration efficiently.

I am continuously improving my skills and working on real-world projects to become a professional full-stack developer.

Thank you for visiting my portfolio.

3. Recommendation Letter / Letter of Appreciation

To Whom It May Concern,

I am pleased to recommend Hanjari Prajapati, who has been undergoing training in MERN Stack Development at Tops Technologies.

Hanjari has demonstrated strong dedication, technical curiosity, and problem-solving ability. He has successfully completed multiple projects involving React.js, Node.js, and MongoDB, showing a clear understanding of both frontend and backend development.

His positive attitude, consistency, and willingness to learn make him a promising developer and a valuable addition to any organization.

I strongly recommend him for internship or job opportunities.

Sincerely,

Nirav Sir

Faculty – Tops Technologies

4. Experience Certificate / Employment Verification Letter

To Whom It May Concern,

This is to certify that Hanjari Prajapati has completed training in MERN Stack Development at Tops Technologies.

During the training period, he gained practical experience in building full-stack applications using React.js, Node.js, Express.js, and MongoDB. He worked on multiple projects including UI development, API integration, and database handling.

He has shown dedication, discipline, and a strong interest in software development.

We wish him success in his future career.

Sincerely,
